Christ Church School is a successful, oversubscribed Church of England primary school in Hampstead. Our children are well-behaved and enthusiastic, our parents are supportive and involved and our committed staff team works hard to give their best for all the children in the school. We are looking for a Teaching Assistant to join our friendly team.

The TA will work supporting individuals, groups and teachers across the school. Your work will be planned in close partnership with the class teachers and Inclusion Leader. There will also be some play time and lunchtime supervision duties – supervising and supporting the children in the playground and hall.

If you have experience of and passion for working with primary age children, a commitment to inclusion, good numeracy and literacy skills and are keen to become a member of a busy and successful school community, we would love to hear from you.

**Our previous successful Teaching Assistants have come from a range of backgrounds, including many graduates and those people looking for experience before moving into a career in teaching.** We would be happy to support the right candidate through the ‘Preparation for teaching course’ run by Teaching London (please ask if you would like more details).

For an application form and more information about the role please log on to our website [www.christchurchschool.co.uk](http://www.christchurchschool.co.uk) (information in ‘Vacancies’ under ‘About us’). Alternatively, please telephone or email the school office. Please return an emailed or paper copy of the application form to the school by the closing date but be aware we will interview and recruit as soon as applications are received.

Christ Church School is an equal opportunities employer and welcomes applications from all.

Please be aware that all successful candidates will need to undergo a full, enhanced DBS check and other safeguarding checks – please refer to our safeguarding summary sheet for more information.
