

Soccer Aid Playground Challenge 2019

Above is a picture of the winners of this year's playground challenge. Each child pictured above was the fastest to complete the obstacle course for their respective year group.

On Friday 7th June the whole school took part in the Soccer Aid playground challenge. We had a lot of fun practising our dribbling skills, basketball skills and trying to score a goal against the infamous Mr Spadaccini.

On Thursday 20th of June we invited all of the parents and teachers to take part too. We had lots of fun cheering them on and some of the parents even managed to score a goal!

WE RAISED £380!
This donation will be match-funded by the UK government!

This year UNICEF are trying to support children to receive the right to play and learn in a safe environment. As a school community, we are hoping to raise £345 or more in order to pay for a community playground in Zambia so that 100 children can play safely.
