All the staff working in Year 3 are all looking forward to working with you and your child this year. If you have any concerns or would like further information about this term's curriculum, please do not hesitate to book an appointment to discuss these with me.

Kind regards, Bradley

Our rich and varied curriculum is one of the ways we aim to inspire life in all its fullness in our school.

## Our Christian Vision

We were asked to summarise our school's Christian vision in under 50 words and this is what we came up with:

**Jesus, The Good Shepherd, promises 'life in all its fullness'. (JOHN 10:10)**

**At Christ Church we believe every child and adult in our school should be able both to experience life in all its fullness now and to aspire to life in all its fullness in the future.**

## English

English this term will be taught through a range of genres focusing on myths and legends, poetry and recounts.

Reading a range of texts (both fiction and non-fiction within class and at home) will benefit your child in all the genres we study. If you would like suggestions for reading at home, please do contact me.

## Maths

We will be covering a range of topics:

- Place value
- Addition
- Subtraction
- Multiplication
- Division
- Money
- Timestables

## Computing

This term, we will be using Scratch to create our own animation. We will spend time learning about all of the key skills needed to use the program. We will also look at eSafety and type up some of our writing.

## RE

This term will focus on thinking about how belief in God affected the actions of people in the Old Testament. We will look at some key biblical figures and think about how we can relate their actions to our own lives today. We will also be thinking about Remembrance this term and focusing on why remembering is important to support future peace. After half term, we will be exploring Advent, the Epiphany and how these are special celebrations at Christmas time.

## History

Our class topic for this term is Ancient Egypt. We will be learning about the uses of the River Nile, gods and goddesses, Tutankhamun and lots more! This will also include a trip to the British Museum where we will see the Rosetta Stone and take part in a hieroglyphic decoding workshop.

## Geography

In geography this term, we will be investigating human and physical geography of the South East region of the UK (including London). We will think about topics like cliff erosion and the uses of the River Thames. We will also consider the history of Hampstead and how it has developed over time. Any opportunities to read and use maps at home will be invaluable!

## PSHE

Our PSHE week takes place during the week commencing Monday 30<sup>th</sup> September 2019 and will focus on positive relationships (including anti-bullying) and celebrating diversity. Year 3 we will be learning about: what makes a good friendship; how to deal with secrets and dares; and how the differences between us arise from a number of factors.

## PE

In PE this term, we will be practising ball skills in both basketball and netball: handling and passing, dribbling, shooting and defending. The children will also take part in the cross-country trials for the first time and go swimming on a weekly basis.

## Music

Music this term will link to our History topic: Ancient Egypt. We will also be exploring music relevant to the region of Egypt and northern Africa. The children will also have a recorder session each week.

## Art

Art this term will mainly be linked to our topic of Ancient Egypt; we will be having a go at writing our own hieroglyphics to create cartouches and designing Egyptian jewellery. We will also use oil pastels to draw Abdul Kazam from our class book.

## Design Technology

This term, design and technology will be linked with our English and our topic work. For example, we will be making Egyptian necklaces and pharaoh masks!
