

Week 2 Giving

As part of our Happiness Project, we have been focusing on how **giving to others** can make us feel happy. We have been trying to think of ways that we can give which don't cost money. Some of our ideas are:

Giving a smile!

Giving help to others

e.g. holding the door open, helping at home, helping a friend with school work

Giving time to others

e.g. playing with a new friend or reading a story to someone

Giving respect

Giving a compliment

Giving thanks

We also donated lots of food to help the Muswell Hill Soup Kitchen as part of our Harvest festival celebration.

Family, Friends and teachers filled in giving apples for our giving tree each time a child gave to someone else.
