

REMEMBRANCE WORK

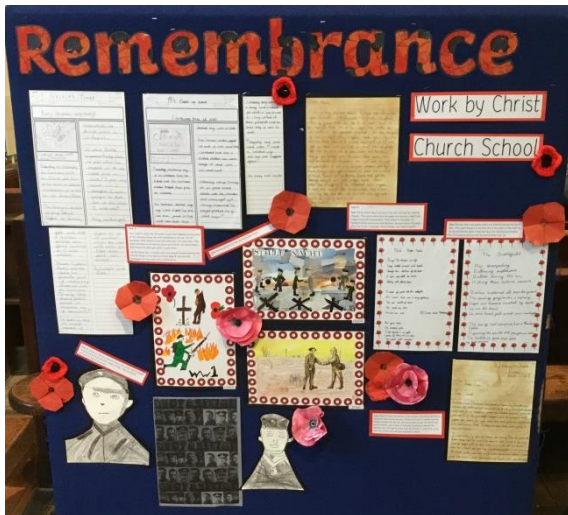

World War 1 Centenary November 2018

This year marks the 100 year anniversary since the end of the First World War.

Across all classes, children learnt about different aspects of the war including: the outbreak of the war; rationing; animals used in the war, how Hampstead Heath was used; the Christmas Day truces; life in the trenches; the end of the war; and why we wear a poppy.

We participated in poetry workshops and attended a whole school Remembrance service in church where we shared our work with the Parish congregation.
