I felt like I was part  
of something.

It felt like a calm  
moment and a bit like I  
was dreaming.

It made me feel  
quite special.

I felt like I  
was small!

A group of children went to St Paul's Cathedral to take part in the LDBS schools service led by the Bishop of London with over 1600 other children.

It was an inspirational service in an amazing building!
