### RE

This term we will be thinking about pilgrimage and discussing if every Christian should go on a pilgrimage in their lifetime. We will be looking at other religions, what they teach about pilgrimage and some of the famous places of pilgrimage around the world.

Our world faith is Sikhism and we will be considering what it means to be a Sikh and what Sikhs believe about God. This will include a visit to a Sikh Gurdwara. In the lead up to Easter, we will be thinking about what happens in churches over this period of time.

### History

We will be learning about the Maya civilisation. We will learn how this civilisation developed and spread and look at how their beliefs and discoveries have impacted modern-day life. This will include studying Maya architecture, the Maya writing and mathematical system and looking at their contribution to astronomy research.

### Geography

We will also learn about the Maya civilisation in Geography during this half term. We will learn about where the Maya people lived and the geographical characteristics of these areas. We will look at theories of how and why their civilisation eventually collapsed.
