

# PSHE Week - February 2019

## Keeping Ourselves Safe and Healthy

**Fire Brigade**  
Learning about fire safety in the house and what to do if we see or smell a fire.

**Police**  
Learning about how the police can help in an emergency and what to do if we get lost. Year 5 and 6 spoke about the laws which apply to young people over the age of 10.

**Pedestrian training**  
Learning about the importance of road safety.

This week the whole school has been thinking about how to stay safe at home, online and when we are outside. We have been visited by a range of people that work in our community telling us about the different ways we can care for ourselves and others, alongside what to do in an emergency.

**Online Safety**  
Learning about the importance of staying safe online and what to do if it goes wrong.

**St John Ambulance**  
Learning first aid and how to put someone in the recovery position.
