Tate Year 3 Project!

February 2019

Year 3 recently took part in the Tate Year 3 Project. This project is being run by the artist Steve McQueen and the Tate Britain who are aiming to capture class photos of as many Year 3 classes across London as possible. These will form part of an upcoming exhibition at the Tate this autumn! We were visited by a photographer who talked to us about photography, we took part in a drama workshop and we then had our photo taken. We can't wait to see it in the gallery!
