

Year 2 created a short film based on our Christian value of **COMPASSION**.

We used the story of The Good Samaritan as told in Luke 10:25 - 37. We explored who in the story showed compassion to the injured man. As a way of remembering compassion, we thought about putting ourselves in other people's shoes. The children created the background and characters to tell the story and did this using stop motion animation. We had fun bringing in all types of shoes! We had snazzy shoes which fitted us alongside shoes that were too big and too small. We had a go at walking in some of these shoes. The children created the word compassion out of shoes and this was filmed from the roof!
