

Year 4 created a short film based on our Christian value of **COMMUNITY**.

The passage we used is taken from 1 Corinthians 12:12-26. This passage talks about how the body has many parts but they are all needed to make one body and that this is like Christ. Just like lots of different important parts make up one body, lots of people make up one community, where each person is valued and has an important contribution to make. The children spent time making communities out of plasticine and animating them. They also used their bodies to spell out the word *community* on the playground!
