

Palm Sunday School Service

We reflected on the events of Palm Sunday in our Easter Service with parents and families. Children took part in the service sharing their prayers and writing about Palm Sunday. We enjoyed singing some of our Easter hymns and the school choir also sang about Jesus entering Jerusalem.

April 2019

Easter work

We shared some of our writing and artwork about Easter with parents at our Easter Service and then with the local parish community in a display in church over the Easter period.
