

KS2 Athletics Trials

On Tuesday 4th June 2019 all key stage 2 classes went to Parliament Hill Fields Athletic Track to participate in a range of activities. Each child took part in the 80 metre sprint, 200 metres, 400 metres, throwing, the long jump and the triple jump. We recorded scores and some children will look forward to representing our school later in the term. Well done to every child for taking part!
