End of term events!

Dear parents and carers,

This is a very busy time in school as we build up towards the end of the school year and we know that there are lots and lots of class and school events going on. We couldn't provide so many different experiences for the children without all the help and support we get from parents and families. It makes a real difference that family members come to support our assemblies and performances, our charity events, our Friends events, our trips, our Church services and all the many other school events that take place. Whether you have given your time to the weekly swimming trips on the bus or to the days out to Westminster Abbey or the Postal Museum, or you have rearranged your work schedule to come to see your child in a performing arts assembly, take part in sports day or sing in the choir, or whether you ran the barbecue, moved tables or sold ice creams at the summer fair – your help and support is very much appreciated and it all makes a big difference to our school and to all the children. Thank you!

Look out for one last, end-of-year newsletter in your inbox before the end of term including details of all the brilliant events from this year.

With very best wishes for the summer holidays,

Katy Forsdyke, Head teacher

## Open afternoon – Thursday 4<sup>th</sup> July 2pm onwards

All parents and carers are very warmly invited to our Open Afternoon on Thursday 4<sup>th</sup> July. This is a chance for you to spend time looking at your child's work from the year with your child.

- Open afternoon starts at 2pm – parents can come at any point between 2pm and 5.30pm to look at children's work.
- If you are taking your child before the end of the usual school day you will be asked to sign them out from the classroom.
- This is not an opportunity to talk with teachers, as teaching will be going on as usual. Please feel free to arrange a meeting with teachers at another time if you would like to discuss your child's work.
- Please return all books to the classrooms afterwards – they will come home at the end of the year.
- Writing competition entries from all children will be on display in the hall.

## Summer Serenade – Thursday 4<sup>th</sup> July, 6pm

Please join us for our end of year Summer Serenade concert in the Church where children from across the school will be playing their instruments and the choir will be singing.

## End of year/Leavers Service – Friday 19<sup>th</sup> July, 11.15am

Everyone is warmly invited to join us for our end of year Leavers Service in Church on the last day of term at 11.15am. Please wait by the main Church front door which we will open just before 11.15am.

All children should be picked up from school for the summer holidays straight after the service at 12 midday.

## Soccer Aid – thank you!

Thank you to parents who donated to our Soccer Aid appeal and to those who came to have a go at our obstacle course, too. We raised a brilliant £380 for UNICEF which will fund a safe community play space for up to a hundred children.

## **PSHE week – the wider community**

We had a brilliant PSHE week learning about the wider community last month. We enjoyed visits from our local MP Tulip Siddiq, from volunteers from the Heath Hands Association and the Royal Free Hospital and from over 25 parents and local people who presented at our careers morning.

Children took part in trips to Henderson Court Age UK centre to sing, create crafts with the elderly people and to plant their outdoor area, to Metro Bank and Barclays Bank to learn about finance and to the Heath Education centre to plant bulbs and seeds.

It was wonderful to receive some positive feedback from the adults the children worked with over the week:

What a fantastic week it has been with the children from Christ Church – they were polite, enthusiastic and a real pleasure to have in the centre.  
(Age UK Centre Manager)

Thank you so much. We have been through the cards [children made birthday cards for hospital volunteers to give out to patients on their birthdays] – they are so lovely and so much effort has clearly been put into them.  
(Royal Free Volunteer coordinator)

The students were a real pleasure to have at the branch and had so many great questions with much excitement and engagement around money and banking – they are a credit to your school.  
(Barclays bank)

### **New End Healthy School Street closure to go ahead**

Despite a number of concerns being raised about the proposals to set up road closures around New End School to limit school run traffic, Camden transport department has decided to set up a trial Healthy School Street scheme for next academic year. We are waiting for an information leaflet to send to parents about how the changes will affect us, but in the meantime the full Camden report containing details of the closures and restrictions can be found at:
