

KS1

Reception

Reception visited Christ Church with Father Paul. He showed the children the different key features you find in a Christian church as well as explained the different materials used when building it. We then recorded what we had seen by drawing the features on our sheets.

Year 1

Year 1 visited Belsize Square Synagogue. We found out about the different key features you find in a synagogue, the Ark (a special cupboard) and all of the different Torah scrolls. We placed the Torah on the Bimah (the Torah stand) and learnt that Jewish people read the Torah (which is written in Hebrew) from right to left. We were each given a Siddur (daily prayer book) to look at and read from.

Year 2

Year 2 visited the London Buddhist Centre in Bethnal Green to learn more about Buddhism. We were able to visit the shrine room where we took part in meditation and spoke to Jyotismati, an ordained Buddhist priest.
