

"You can sit with me!"

Friendship Bracelets

This week, all the children and adults have been busy learning new skills to make a unique and personalised friendship bracelet. Today, we all swapped bracelets with a new friend and had a wonderful playtime getting to know each other a little better!

"Nice try!"

"How are you feeling?"

"Would you like to join in?"

"Are you OK?"

"Can I help you?"

"Did you have a nice break time?"
