

PSHE week – February 2020
Keeping healthy and safe

We had a visit from Camden Road Safety. Children in Year 5 were given the opportunity in small groups to practise and learn how to stay safe and alert on roads.

Road safety

We learned to walk on the side of the pavement furthest from the road.

We learned to always make eye contact with a driver before crossing at a pelican or zebra crossing.

Reception and Year 1 and year 2 took part in scooter safety workshops.

'Now You See Me, Now You Don't', was an interactive performance and workshop that came to school to talk to Years 5 and 6 about Road Safety.

The play explored the events leading up to a crash. The children were asked to become detectives in trying to establish who was to blame. The children developed a deeper understanding of the fact that they have increasing control and influence over their own and other people's safety.

We learnt how to use our scooters safely. We learnt we must always wear a helmet and use our free leg to control our speed and stopping.
