

Year 2 went on a fantastic trip to the **Buddhist Centre** in Bethnal Green. While there, the children spoke with Srivati, an ordained Buddhist priest from the Triratna Buddhist Community, a worldwide movement of people who try to engage with the Buddha's teachings in the conditions of the modern world. The children were able to hear a little more about what it is like to be a Buddhist in modern London, and about the Buddha's life and teachings. They also took part in some mindful exercises

Learning about world faiths - RE trips

Spring term 2020

Reception, Year 2 and Year 3

As part of our learning about special places, Reception visited **Christ Church** and Father Paul showed us around. We looked at the roof, the beautiful stained glass windows and the paintings around the church. We then asked Father Paul lots of interesting questions and drew pictures of our favourite things in the church.

Year 3 enjoyed a trip to Regent's Park **Mosque**. We were shown around the mosque and were able to witness the call to prayer. We learnt about the different features of the mosque and discussed what were the most important features of the mosque for Muslims. Many children found the most interesting part was seeing the wash room used for the Wudu ritual of cleaning prior to prayer as it is very different to what Christians usually experience at church.
