It's going to get better

We'll be out in the sunshine  
Having a great time!

#### Verse 1

We'll be seeing our friends to celebrate  
With jelly filling up our plates  
We'll be playing outside in the sun  
Running around and having fun

Let's all jump and sing hooray  
Let's all dance and sing today

#### Verse 2

We'll be taking down our rainbow signs  
Forgetting about these different times

L1 to use conjunctions in news writing

On the Easter holiday I watched Hotel Transylvania before going to bed. I planted sunflower seed so we will have big colorful sunflowers in summer. We had an Easter egg hunt and I got the most but I had to give some to my brother. I made apple tea since we had too many apples. We went on cycle rides once each day when it was not raining. We had barbecues when it was sunny. I made a card for my grandma because it was her birthday. I had Zoom skip and gave time with friends since we can't meet up. I did some online art class and I painted some famous paintings.
