

Year 4 lights and torches
DT Project
Spring Term 2020

We gave each other feedback to help us evaluate our own products and think about how we could improve.

My comments
Erika: I like the rainbow idea- we've got to stay happy!
James: I love this one! It is very colourful and shiny!
Adam: I like how you have used lots of different colours.
Ella- I like that Max made his light look like a rainbow and says his name on it!
Zachary: It looks like a trophy light!
Bluebell: This looks amazing! I think you put a lot of effort into this, Max. Well done!
Alessandro: I like your light because it's different and the shape is amazing! There are also a lot of colours.
