

Year 5 studied Aboriginal Art from Australia.

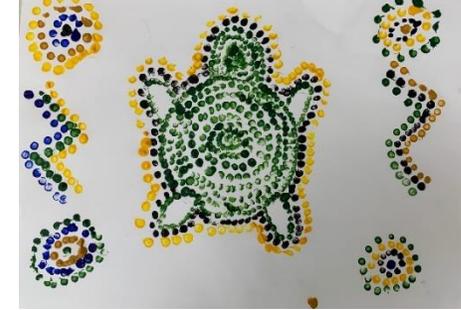

Year 5 used dots of paint or colouring pens to create the correct effect.

We learnt that the first people of Australia only used specific earth colours – blue, red, orange and black

We learnt that the paintings were the Aboriginal people's way of telling stories. The colourful dot paintings show the beginning of life on earth. These stories and pictures are called Dreamtime. The pictures are called Dreamings.

Year 5 Summer Term Day 3- 4
29th and 30th April 2020
