

Mrs Manning-Bennett set us the task of creating a dish for our family dinner. We could only use the ingredients in our cupboards and had to research and follow the recipes.

Year 5 have kept busy by doing lots of other activities alongside their learning. They have been creating comic strips starring Aubergines living in isolation, building Lego and creating beautiful rainbows to display in their windows!

On Friday Mr Spadaccini set us a PE task. We had to practise a certain group of moves and follow a routine. It didn't matter if we had outside space or not - we loved our PE lesson and enjoyed performing it for our friends and family.

Some of us baked biscuits and cookies and some made whole roast dinners. We had a lot of fun and our adults really enjoyed us taking over the kitchens!
