

Mrs Manning-Bennett set us the challenge of creating a Year 5 Games Library. We have all been playing different games at home over the last couple of weeks so we have created a booklet that we can share our games in!

Our first task was to write a to explain why it was our favourite game and use persuasive language to convince people to try it out.

Filling Riddles is a Sun game to play

and makes you think outside of the bose

paragraph about the game. We had

ing where , on the more, outside, inside, online well riends. It is for 8+ people and is a delection numberry Jame. It is a cross of wint murde werenols and letter riddles. It is so exiting

> Just I rivelle coods (arrest or real a) Pik or cont and read it outloud

Our second task was create a persuasive poster to encourage people to play our game. We included persuasive writing techniques such as emotive language, rhetorical questions and five star reviews and quotes from happy players!

Year 5 - Day 6-7 30th and 31st March

We then had to write the instructions of how to play. We had to remember to say how many people could play the game and where it could be played, inside or outside.
