

This week we have been exploring mini-beasts, reading some very interesting facts before making a bug list for a bug hunt and making some very cool spiders!

# Reception Class

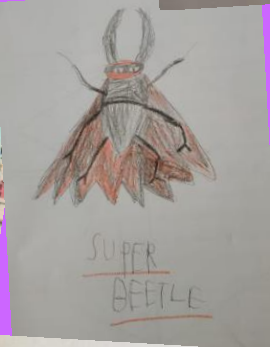

Home school Monday 18<sup>th</sup> and Tuesday 19<sup>th</sup> May 2020

We then wrote fantastic stories using our Super-Bug as the main character.

We all listened to the story Superworm before drawing our own Super-Bug!

FLY  
ants spider  
bee  
wood louse  
earthworm  
aphid  
caterpillar  
butterfly  
Ladybird  
dung beetle  
tick  
flea

Once upon a time there was a little worm, he was snuggling home in a super storm, lightning struck and super electric worm was born!

He saw his friend snail stuck under a fallen tree and used his super powers to zip and zap him free.

He blasted the dark clouds with his electric beams, the sun came out, everyone was happy.

Six legs  
Gooey bug  
fire ant

Beginning

Once upon a time, there was a worm who said 'Gooey' when she lived in her little hole.

Middle

Then she dropped her wormy on the cable car.

End

At the end, Gooey was on the cable car because she was hanging on and wanted her worm home.

12. To recall and sequence a story using beginning, middle and end.

Beginning

Once upon a time, there was a rat who was very happy because he was eating a nut.

Middle

Then, a wolf came and took his nut and went home.

End

At the end, the rat felt asleep and when he woke up, he was sad.
