Pack for Sun Safety

L1: to understand the different ways we can be safe in the sun
You are going on a trip to the beach and you need to pack items that will protect you from the sun.
Draw the items in the bag with notes explaining why you have chosen them. Remember the SMART code!

make hats on you
make sure you have a sunhat
always remember to have sunglasses
remember to have something to do
I make sure you have short clothes

put time in the shade between sun and sun
make sure you wear hats
don't cover up with a long t-shirt and sun
remember children need to take extra care
don't use sunscreen of a minimum of SPF 30

unbearable what you need
also make sure you have a sun hat
if the beach or park you are at
remember to bring a shirt to cover
it's hot so always hot you need know it will not make

We thought about being sun smart, just in time for the nice weather!

Dear Theo,
I really miss you! I can't wait to have a playdate of go to your places with you again. Hopefully we can see each other in school soon and play some new adventure games together.

Love from

I miss you and when I come back to London I want to play katamini with you outside opposite our block of flats under the bright, warm sun.

P.S. I want to visit

We thought about being mindful and made some mandalas

Dear Oliver,
I miss you so much. I hope you like Super Mario Odyssey. If you like Mario, Gang Bowser, Peach or Tiara, please, so we can play together sometime.

I also like to play "Animal Crossing" where you can make your own island but only got one player. Daniel
