

# Year 2 – Day 22 and 23

Wednesday 06.05 and Thursday 07.05

We learnt about Andy Goldsworthy and created our own nature art inspired by his work.

In science we started learning about animals and life cycles. We learnt that different types of animals have different life cycles. Mammals look like their parents when they're born, but amphibians look very different.

We wrote book reviews with suggestions for our favourite books.

**Book Review**

Book Title: Dangerous Animals Author: Simon Fiction or Non-fiction: non-fiction

Who would you recommend the book to? Why? My cousin Archie because he likes readings

What is the book about? This book is about dangerous animals. It has some scary pictures that are all around with facts.

This book made me feel scared about other facts and excited to tell others what I know.

Book Illustration:  Rating: ★★★★★ character: Aggressive Name: Aggressive Personality: patient and aggressive Physical Appearance: beautiful, yellow, orange, white and black markings.
