 They are helping with Covid as well.
 Vision = to bring the day forward when all cancers are cured.

How do they raise money?
 They fundraise by having shops.

- The Felix Project**
 By Rose Cical
- What is the Felix Project?
 The Felix Project is a charity that helps people who are struggling to find themselves. They provide a safe space for people who are struggling to find themselves. They provide a safe space for people who are struggling to find themselves.
- How did it start?
 It all started when a young boy named Felix came to play in a school. He was very shy and didn't talk to anyone. His teacher noticed this and decided to help him. She started a club for him and he started to talk to other children. This club eventually grew into the Felix Project.
- Why do we need the Felix Project?
 We need the Felix Project to help children who are struggling to find themselves. Over 500,000 people rely on food banks. 50% of single mums skip meals so their children can eat. The Felix Project provides a safe space for children who are struggling to find themselves.

When and why did Kew Gardens start?

- The gardens at Kew became a national botanic garden in 1840.
- Before that the gardens there were private and date back to 1759.
- In 1996 the Millennium Seed Bank Project started.
- They were made a national Botanic Garden for scientific research.

DOCTORS WITHOUT BORDERS (MSF)

Medicines sans Frontières

MUSWELL HILL SOUP KITCHEN!!

Questions:
 How do they raise money? They actually get food instead of money, so people donate food like soup, beans or spaghetti.
 When did they start serving people? February 1994
 When are they open? five days a week, Sunday through to Thursday
 Who do they help? some are homeless and the age range is young adults to pensioners?
 How many people do they serve? They normally serve two courses meals and up to 40 people each night, a total of 3,000-10,000 meals a week.

WHAT DOES THIS CHARITY DO?

- Our charity provides clean water and fresh food to all the vulnerable children out there and especially now when the COVID-19 is around they need our help the most!
- We give vulnerable children the access to soap and taps to wash their hands on a daily basis.
- We donate hand sanitizer and send enough money to build shelters!
- We are determined to give every child in poverty the greatest possible chance in life!

Unicef's goals

- To reach children in places that have been attacked, bombed and also places where diseases like malaria are infecting children in large amounts. Then they focus on
- Giving children nutrition
- Giving children healthcare
- Giving children education

- National Trust for Places of Historic Interest or Natural Beauty**
- CAUSE**

THE TRUST PROTECTS AND CARES FOR PLACES SO PEOPLE AND NATURE CAN THRIVE. THEY LOOK AFTER THE COUNTRYSIDE, GREEN SPACES, CASTLES AND HISTORIC SITES.
- HISTORY**

THE CHARITY WAS FOUNDED IN 1895 CELEBRATING 125th ANNIVERSARY THIS YEAR BY CELEBRATING THE BIRTH OF HERBERT AND MARGARET HARRISON. FIRST, THEY WERE ONLY CONCERNED WITH PROTECTING OPEN SPACES AND IN THE 20th CENTURY THEY FOCUSED MORE ON COUNTRY HOUSES AND CASTLES.

The RSPB stands for the Royal Society for the Protection of Birds.

The bird on their logo is called an avocet.

It is the UK's largest nature conservation charity.

They raise money by offering memberships. A family membership costs £60 a year. With a membership, you can go to 170 different nature reserves.

You can Help! You just need to become a member of the RSPB.

To call the RSPB type 01767 680551

We researched different charities to find out how they help people, especially during this time.

Save the Children

Save the Children started at 15 April 1919 by Esthline Jebb and Dorothy Buxton. Save the Children does whatever it takes to give children a healthy start in life. They help children have better education and health. They cover Asia, Africa, Europe, Middle East, South and Central America. They raised £20m in 2019. They raise money by selling birthday cards, other stuff for kids and people donate. Their work is important because in many children's lives.
