

Year 6 Geography
The Grand Canyon
Week beginning 27.4.20

This week in Geography, the Year 6 pupils learnt about the origins of the Grand Canyon, how it was formed and the tribes it is home to. The pupils were asked to design a map that uses a key and symbols to represent the human and physical geography of the Grand Canyon region. The pupils have created fantastic maps, thank you for sharing and well done Year 6!

A = Tapes & Camping site
 ~~~ = Waterfall  
 🚽 = Toilet  
 🏠 = Townhouse  
 🌾 = Farm  
 + = Church  
 🏠 = Passing
