

# Year 4 Home learning

**Can you help Grandpa George?**

Sam's Grandpa George has just got a brand new tablet. He hopes it can help him solve three problems:

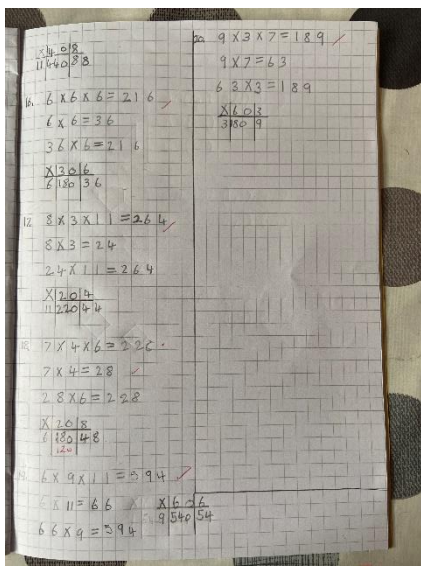

1. Sam's uncle lives in Australia. Grandpa George misses him and wishes he could see him.
2. It's Sam's birthday soon, and he wants to get him the perfect present. But he doesn't know what Sam wants and besides, he can't get out to the shops.
3. He wants to make a birthday cake for Sam... but he's never baked a cake before and doesn't know where to start!

What ideas can you give Grandpa George about how going online could help him?

*My Ideas*

Because George wants to see him, he could do it off face-time or skype. George wants to get a present so he could do online shopping and see what Sam wants off face-time. George could see a how to bake a cake online.

In maths we multiplied 3 numbers together. We thought about different strategies we could use to do this mentally, such as spotting multiples of 10.

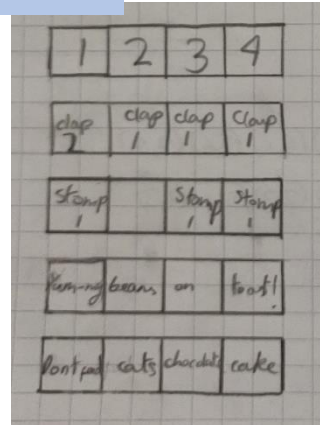

We learnt about shading using a mixture of felt pens and colouring pencils.

We planned and wrote poems about different colours. We used abstract nouns, metaphors and similes.

We learnt about rhythm and pulse in music.

What is white?

- What is white? The spirit of calm.
- What is black? The soul of a sainted nightfall.
- What is yellow? The elated spirit of freedom.
- What is blue? A blossoming flower ready to show its beauty.
- What is green? The feeling of rebirth and peace.
- What is red? The pain of anger.
- What is pink? The happiness of love.
- What is purple? A path in the sky to wisdom at sunset.
- What is gold? The priceless smile on your loved one's face.
- What is orange? The flow of rays from the sun.
- What is grey? The calling of pain.
