

Thank you for all your lovely 'Try Something New' photos!

Lots of you have been making new things: Ice cream, knitting, sewing

Ethan wrote a rap.

When I was 1 I really shone
When I was 2 I saw you
When I was 3 I grazed my knee
When I was 4 I banged into a door
When I was 5 I lived in a hive
When I was 6 I ate Weetabix
When I was 7 I lived in heaven
When I was 8 I went on a date
When I was 9 I figured out time
When I was 10 I got a pet hen
Now I'm 11 I wish I was Seven

Lots of you have been learning new skills: Ball spinning, rap writing, juggling, cooking, solving a Rubix cube, gardening, balancing on a slackline, learning Spanish and German, renovating garden chairs
