

Year 1 Arts Project Autumn 2020 – Life on Land

We were inspired by Andy Warhol's prints of endangered species and traditional African 'Tinga Tinga' artworks.

Year 1 looked at the sustainable development goal 15: 'life on land' as their focus for individual artworks. We thought about how through deforestation and the loss of natural habitats many species are becoming endangered.

For our individual pieces of art we carefully drew out the design of our chosen endangered animal on polystyrene sheets before rolling on ink and printing it onto paper. We used a colourful watercolour wash for our background.
