

In Year 3, our artwork highlights Article 24 of the UNCRC:

“Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment”

We have learnt about and chosen a range of healthy and nutritious food to make our collages.

Year 3 Individual Art Project: “Best Possible Health”

Our artwork was inspired by the Italian painter Giuseppe Arcimboldo.

We used a monoprint technique to create detailed oil pastel fruits and vegetables. We also explored a range of shading techniques to draw healthy foods. We then mixed our own watercolour paints to create a wash and put the pieces together as a collage.
