

More about time By Reception

This week we continued to learn about time. On Monday we learnt that all clocks have clock faces, hands and numbers- number 12 is at the top and number 6 is at the bottom! We have started to learn how to read the time at o'clock!

We learnt how to tell the time at o'clock!

We created human clocks!

We made our own analogue clocks - they include a clock face, a big hand and a little hand!
