

More of Goldilocks and the three bears

By Reception

As we continued to look at the story of Goldilocks, we created some fantastic storyboards, wrote letters and created book reviews on the computer! On Wednesday we thought about the three bears' cottage and designed and made models of the house to help role-play the story.

We really enjoyed learning to type our names and finishing the sentence about our favourite part in the story.

We wrote storyboards and sorry letters from Goldilocks to the three bears.
