

Jack and the Beanstalk

By Reception

We have really enjoyed reading the traditional tale of Jack and the Beanstalk. We looked at key features of a text as well as writing some fantastic recounts of the story!

We made our own front and back covers, making sure to include all the key features including a title and a blurb.

We imagined we were climbing up our own beanstalk and drew our own magical kingdoms, we had lots of dragons, fairies and wizards flying around!

We did our first big-write and really enjoyed re-telling the story by breaking it down into the beginning, the middle and the end.
