

# Cooking By Reception

On Friday, Reception practised safe cooking. They learnt about how to cut food using the bridge hold or the bear grip before writing out recipes to try. The food looked lovely and, of course, taste tasting was an important part of the day!

We wrote recipes for our class cookbook!

Tuna Sandwich

1. Chop salad
2. Mix tuna and Mayo
3. Put salad on top of tuna
4. Eat and enjoy

Tasting our food was the best bit!

Cooking lots of different food, some of us even tried ingredients for the first time!
