

2D shapes By Reception

We recapped our learning on 2D shapes and even learnt about sides and corners!

We had to finish the shape puzzle to work out which shapes the giant's castle was made out of!

Jack and the Beanstalk 2D Shape Search

I can see 1 circle.
I can see 6 triangles.
I can see 8 rectangles.
I can see 4 hexagons.
I can see 9 ovals.

We learnt about a Russian abstract artist called Kandinsky. He loved to use different shapes to make his pictures. We had great fun colour mixing and re-creating his famous painting 'squares with concentric circles'
