## Huge rise in reports of online child abuse images

By Branwen Jeffreys  
Education Editor

⌚ 16 July 2020

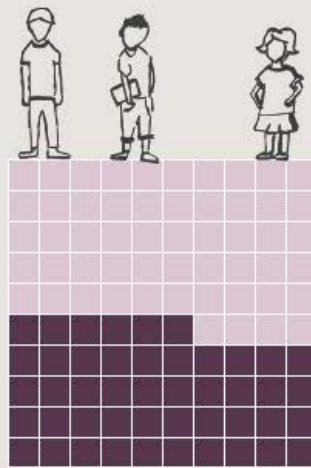

Children and adults have been spending much more time online

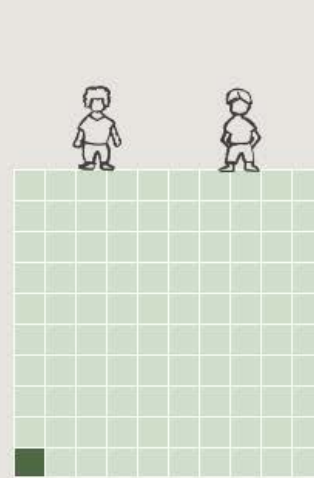

Reports of child abuse images online increased by almost 50% during lockdown, according to the Internet Watch Foundation.

In 2019  
**132,700**

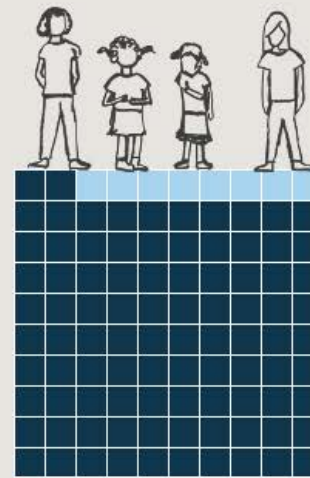

webpages showing the sexual abuse of children were removed by our analysts.

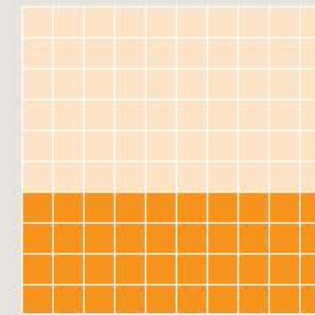

**46%**  
of victims are 10 years or under

**1%**  
aged 2 or under

**92%**  
of images where victims were girls

**40%**  
of images assessed as category A or B

# The 4 primary parenting styles

**HIGH**

parental involvement  
(supportive)

**LOW**

parental involvement  
(unsupportive)

**STRONG**  
discipline  
(demanding)

**AUTHORITATIVE**

responsive / child-centered  
accepting / high-warmth  
flexible / democratic / supportive

**AUTHORITARIAN**

controlling / parent-centered  
rejecting / low-warmth  
structure / obedience / punishment

**WEAK**  
discipline  
(undemanding)

**PERMISSIVE**

low-control / child-centered  
indulgent / high-warmth  
lenient / non-directive

**NEGLECTFUL**

uninvolved / indifferent  
rejecting / low-warmth  
passive / absent / distant

## Parenting Style- Authoritative parents:

- Listen to their children
- Place limits, consequences, and expectations on their children's behaviour
- Allow children to express opinions
- Administer fair and consistent discipline
