

The Three Little Pigs By Reception

This week, our topic story has been The Three Little Pigs. We have had lots of fun with this cheeky story and even watched a ballet which showed the story through music and dance.

We explored materials and made different houses before seeing if they could stand-up against the big, bag wolf (our hairdryers)!

We made some incredible fact pages about wolves.

We thought about the feelings of the Pigs and wrote thought bubbles on how they were feeling.
