

Reception's PSHE Week Summer Term

Reception learnt all about our local community and thought about how we can be an active citizen, supporting others.

We thought about the importance of rules and wrote our own charters. Linking to our work on Rights Respecting Schools.

We practised a song to film for Henderson Court. We really hope they enjoy listening to it!

We researched the area we live in and wrote about the places we have visited!

We learnt about the UN Peace Keepers and thought about how we could promote peace in our school. We made peace maker badges and wrote a peace pledge.
