

Year 4 class assembly – May 2021

Well done, Year 4!

Year 4 presented a very professional class assembly over zoom. They very proudly shared their work in lots of different subjects - they have been learning a lot!

There were beautiful Roman mosaics....

... fascinating facts about earthquakes, the digestive system and Year 4's learning about Jesus...

... a very impressive, live volcanic eruption...

... beautiful Hokusai wave paintings and Modigliani portraits...

... and a wonderful Roman song!
