

Well done to Year 1 for a super class assembly! You told us all about everything you have been learning so far and presented your lines brilliantly to a very big audience!  
October 2021

# Well done Year 1!

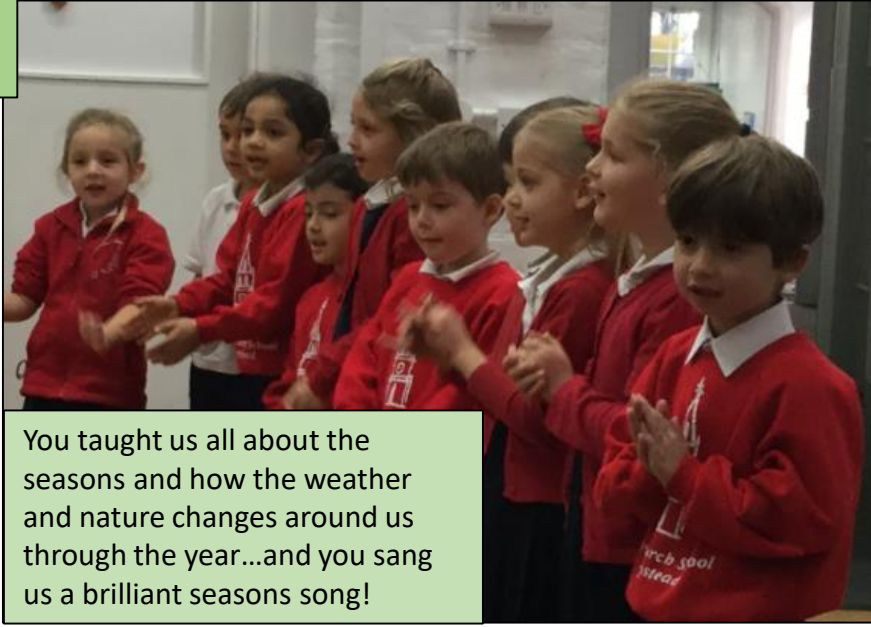

It's not a stick – it's a walking stick!

It's not a stick – it's a snake!

You told us all your imaginative ideas inspired by the book 'Not a stick'!

You taught us all about the seasons and how the weather and nature changes around us through the year...and you sang us a brilliant seasons song!

You told us all about your learning about primary and secondary colours and showed us your colour-mixing skills with your bright and beautiful rainbows!

You told us all about how transport has changed in the local area and you explained your learning about captions and labels – we all learnt a lot!
