

# Happiness Project Art Exhibition

Our whole school Happiness Project this term has reminded all of us about ten themes to promote positive mental health and well-being, helping to keep us and others happy.

For our Christ Church Arts Project, we have been inspired by some of these themes and by the work of artists from around the world to create the beautiful art work which we shared with family and friends in our Art Exhibition.

November 2021

We loved sharing our art work with our family and friends!

We loved sharing our art work with our family and friends!

Look at our class pages to learn more about the inspiration for our art works.
