

PSHE week-One Kind Word

When one act of kindness fuels another!

Introducing the idea 'one kind word' can provide a moment of hope. It can be a turning point. It can change someone's perspective. It can change their day. It can change the course of a conversation and break the cycle of bullying. Best of all, one kind word leads to another. Kindness fuels kindness. So from the playground to Parliament, and from our phones to our homes, together, our actions can fire a chain reaction that powers positivity.

#ANTIBULLYINGWEEK

We made our own wonderful chain of kindness by writing down any acts of kindness we received over two weeks on one link in a chain. We joined them all together and it went all around the whole school! Come and find it near the library!

We celebrated diversity by wearing Odd Socks and raised money for Childline! Each of us is unique!
