PSHE Week - Positive Relationships and Diversity

During PSHE week, Year 1 thought about our friendships, different types of families, and how to be a kind person. We also thought about how people may feel differently about the same thing.

Year 6 Anti-Bullying Champions came in to teach us about bullying, and help us think about kind and

unkind behaviour.

We thought about our families and how all families are different and special.

Bus drivers espear daye My Mummy and my P Grannyand People in our lives What do these different people do for you? they play with me

We also talked about the different adults in our lives, and the roles they play.

Year 6 helped us think about kind and unkind behaviour.
