

# CAP Project Autumn 2021

## Celebrating Differences

Our Year 6 CAP art project for this term follows the theme of 'Celebrating Differences' and this has been the driving force behind our brilliant artwork. We learnt about a famous print artist Emory Douglas and how he used his art to promote strong and impactful messages as part of the Black Panther movement. We started by thinking about what makes us each unique and the components that make us 'Us'.

We used digital prints and imagery to create a striking piece of collage. We combined colourful papers, card, feather, paint, pastel and much, much more. We created prints of our hands to make our final art even more part of us and included positive messages that embrace difference, inspired by the work of Emory Douglas.
