

Young Shakespeare Company

Touring inspirational educational theatre since 1988

November 2021

Years 4, 5 and 6 were lucky enough to have a visit from the Young Shakespeare Company. Today's performance was of Macbeth, a Shakespeare play that we learn about in English in Year 5. As part of the performance, individuals were chosen to act out roles and the whole audience became part of the story, through adding body movements and sound effects, making it a fully immersive experience.
