

On Thursday 27th of January 2022, Year 1 went to the Little Angel Theatre to watch a performance of The Storm Whale. It was a wonderful performance of a much loved book about a lonely boy who finds a baby whale washed up on the beach after a storm. The boy tries to keep his new friend in the bath, but eventually he has to return the whale to the sea. However, that is not the end of their friendship!

One of the actors was a familiar face for Christ Church children. The actor who played Flo has often come to our school to facilitate drama sessions, so it was wonderful for the children to see her in such a fantastic performance. The children even got to touch some of the puppets at the end. One child commented on the way home that they had had such a wonderful day!
