

Fabulous assembly, Reception!

May 2022

Well done, Reception, for presenting such a confident and interesting class assembly – you are all superstars!

We taught us lots about explorers, creatures who live under the sea and dinosaurs!

You shared some brilliant writing, confidently reading your work out to everyone.

A shark was in the dark
The fish had a wish
A shell fell in the well
The wave went in the cave

If I had a pet Dinosaur...
We would go to the
polar ice and do
Oh the sight.
we will have the
mountain stream.

Tuesday 3rd May 2022
Dear Green Peace,
I am writing about the ice melting
In Antarctica we can fix
is. Problem by turning
off the lights when we're not
From Izadora

We were very impressed with your water colour and pastel paintings inspired by Claude Monet – they are beautiful!

We loved all your singing: your Jubilee song, your continents rhyme and 'Somewhere over the rainbow' – what a lot of songs to learn!
