

Well done, Year 1 – we loved your class assembly!

You presented your learning so confidently and clearly and had learnt your lines so brilliantly!

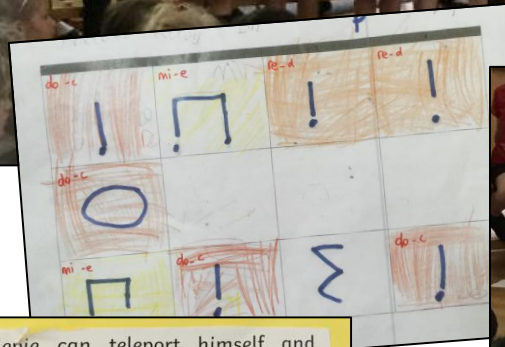

June 2022

You told us all about your collagraph prints, inspired by some of the Queen's crowns. We were very impressed by your colourful finished prints!

We enjoyed hearing you share your musical skills. We heard you show all your learning about pitch with your class performance and actions for 'Clair de Lune' and it was great to hear your own group compositions, too. And we loved your catchy 'Fruit Salad' song, in preparation for your cooking in DT!

Telepie can teleport himself and other people. Telepie wears a green outfit like a snake because he got bitten by one. Telepie can fly and shoot water and electricity. Telepie can also fix knocked down houses and he likes to get fit.

You shared some super writing all about super heroes!

Stella's superhero power is that she is really good at swimming. Stella knows how to do a backflip and a handstand in the water. She lives in a city named London. Stella's school is in London. She loves school so much that she goes when it is the weekend. All around Stella's school there are flowers. They small beautiful.

You shared all your learning in Science: about materials and their properties, about a range of common wild and garden plants and about what different animals eat. You have been doing lots of grouping, identifying and classifying.
